2 You And I Both

G  
was it you who spoke the words that  
things would happen but not to me,  
Em  
oh things are gonna happen naturally?  
Am  
Oh I'm taking your advice and I'm  
looking on the bright side,  
C D  
and balancing the whole damn thing.  
G  
Oh but often times those words get  
tangled up in lines,  
Em  
and the bright lights turns to night.  
Am  
Oh until the dawn it brings  
C  
another day will sing about the magic that  
D  
was you and me.  
G  
Cause you and i both loved (yey).  
Em  
What you and i spoke of,  
Am  
And others just read of (the loved the loved)  
C D G  
Em  
others only dreams of, of the love, of the love that I love  
Lararara (come again)  
G  
See I'm all about them words,  
Em  
Over numbers, unencumbered the numbered words.  
Am  
Hundreds of pages, pages, pages forwards.  
More words than i am

C D  
And the more you follow through  
G  
Em  
Theres's always more leftover not too much explaining to do  
C D  
And if ever ever ever you find your love  
G  
Em  
I'll will be your "lifeline" I will never miss a phone call
