

# Jason Mraz - Quiet

Tom: C

Intro: C G C

C  
Every time I go home  
There's another cell phone tower  
Construction getting louder  
Paving over yesterday  
C C C You and I, we will try to find the side of it that's pretty  
C While our town becomes a city  
We won't let it be erased  
Am7 Empires rise, empires fall  
C F#- Will you be my constant through it all?

Refrão:

F C  
I will hold your hand  
Am G And watch the world spin madly 'round this life we're in  
F C Oh, yeah, everything goes quiet when it's you I'm with  
Am G Oh, yeah, everything goes quiet when it's you I'm with  
C (You, you, you, you)  
Intro: C G C

C  
Every once in a while  
E You know I get these real bad headaches  
Em F Worried about the mistakes that I've made along the way  
C E You and I, we can't hide from the fact  
C That we need each other  
Am Em F C How else will I recover when the fever comes again  
Am7 C Temperatures rise, temperatures fall  
C F#- C

Will you be my constant through it all?

C (You, you, you, you)

( C E C E C )

E C Em C  
And there are no words, no words  
C G C When I'm with you, you, you

C  
Every time I hear music  
E C They've added more stuff to it  
Am C Things are always moving  
F C Into some futuristic place  
C Well, you and I, we will try  
E C We can try to dance into tomorrow  
Am C F C But time we'll have to borrow, not a minute left to waste  
Am7 C Heartbeats rise, heartbeats fall  
C F#- C Will you be my constant through it all?
