

Jason Mraz - Sunshine Song

Tom: G

(chorus)

Well, sometimes the sun shines on
 Other people's houses and not mine
 Some days the clouds paint the sky all gray
 And it takes away my summertime
 Somehow the sun keeps shining upon you
 While i struggle to get mine
 If there's a light in everybody
 Send out your ray of sunshine

(verse)

I wanna walk the same roads as everybody else
 Through the trees and past the gates
 Getting high on heavenly breezes
 Making new friends along the way
 I won't ask much of nobody
 I'm just here to sing along
 And make my mistakes look gracious
 And learn some lessons from my wrongs

(chorus)

But sometimes the sun shines on
 Other people's houses and not mine
 Some days the clouds paint the sky all gray
 And it takes away my summertime
 Somehow the sun keeps shining upon you
 While i struggle to get mine
 A little light never hurt nobody
 Send out your ray of sunshine

(bridge)

Oh, if this little light of mine

Combined with yours today
 How many watts could we luminate?
 How many villages could we save?
 My umbrella's tired of the weather
 Wearing me down
 Well look at me now

(interlude) G C Am C D G

(verse)

Well, you should look as good as your outlook
 Would you mind if i took some time?
 To soak up your light, your beautiful light
 You've got a paradise inside

I get hungry for love and thirsty for life
 And much to full on the pain
 When i look to the sky to help me
 And sometimes it looks like rain

(chorus)

As the sun shines on
 Other people's houses and not mine
 And the sky paints the clouds in a way
 That it takes away the summertime

Somehow the sun keeps shining upon you
 While i kindly stand by
 If there's a light in everybody
 Send out your ray of sunshine

(outro)

You're undeniably warm, you're cerulean
 You're perfect in design
 Won't you hang around?
 So the sun, it can shine on me
 And the clouds, they can roll away
 And the sky can become our possibility
 If there's a light in everybody
 Send out your ray of sunshine
