

Jason Mraz - You Fuckin Did It

tom:

Intro: Bm7 G7M Am Gbm7 Bm7

You fuckin' did it
 You really did it yeah
 You really did it
 You really did it

You fuckin' did it
 You really did it yeah
 You really did it
 You really did it

All those who are hanging around the water cooler
 Will never believe how you tackled the thousand puzzle pieces
 And you could see it before we completed it
 Before we made it whole
 How you put it all together with a blindfold
 You're like a long game token that keeps the game going
 But your claim to fame is how you like to lay low
 Out of the lime light
 Which can hurt your eyes
 If you're not careful you'll become another devil in disguise
 But you watch your back, you watch your back
 You're growing eyes in the back of your head
 To prevent another sneak attack, sneak attack
 You must be keepin' secret weapons in your fanny pack

You're like my laughing gas, you got the cat to dance
 You're like Lance on a mountain in the tour de France
 You got a wing span spanning the globe you got gold
 And you're teaching us to let go
 You're a wise old owl when you're the cat's meow
 If this were twelfth grade you'd be my cap and gown
 If this were India then you'd be a sacred cow
 And I'd bow down to you
 So grateful to the gods for making you

You fuckin' did it
 You really did it yeah
 You really did it
 You really did it

You fuckin' did it
 You really did it yeah
 You really did it
 You really did it

You'll be standing up for the equal right of the American people
 And you'll be meeting all the influential seekers with a similar
 Dream

You've got a front seat saved that's emblazed with your name
 And a super hero cape on
 You see the future as a sky full of possibility
 With a spryness of mind and a psychic ability
 You probably won't die at the hands of an enemy
 And not in a den of inequity

You're not the average Joe
 You're not the average Jane
 You're not above or below
 But you're never just plain
 You never take no personally
 And any time you get stopped you try another way
 Could we settle for a kiss without a cease and desist
 If they ask we won't tell 'cause we're activists
 I am that I am and you are that you are
 And we're all that is
 How P-E-R-F-E-C-T your A-T-T- I-T-U-D-E be

You fuckin' did it
 You really did it yeah
 You really did it
 You really did it

You fuckin' did it
 You really did it yeah
 You really did it
 You really did it

(Bm7 G7M Gbm7 Bm7)
 (G7M Gbm7 Gb7 Gb Gb7)

When you circumnavigating the turntable call and attracts
 Like you be jumpin' in the water you be makin' a splash
 You be keepin' your heart beat going
 And keepin' the harmony going
 Well there's an awful lot of music styles you could play
