

# Jason Mraz - Zero Percent

Tom: F

F C Dm7  
Our friends on the front porch telling jokes and they swing  
Swiftly towards happier times  
Expanding lines and finding more energy for the effort and  
Getting distance from that front porch spotlight  
F C Dm7 Bb  
But us we found peace in shadows long enough to see the monsters rise  
F C Dm7  
Candy's got some space to fill in her daydreams living high on  
Bb  
Yesterday's lie  
F C Dm7  
Talking to me about some 0% interest and how she got a better  
Bb  
Deal than the next guy  
  
Dm Dm7 Dm7 Dm Dm  
And the way the lightning shocked us when we were lost and  
Dm Dm7 Dm7 Dm7  
Looking down that long missouri highway your hair was longer  
Dm Bb7  
Then and now i remember  
  
F C Dm7  
Oh the roads unencumbered by cats they're burning like wet  
Bb  
Matches thru my miracle mile mind  
F C  
Dm7  
You left your thumbprint inside me now for months it seems but  
Bb  
Mine only brushes your soft surface  
F C Dm7 Bb  
And somehow it leaves me listless, my tongue curls under my  
lips  
  
Oh yes  
F C Dm7 Bb  
So i cant speak to tell you of the months before i met you  
  
Dm Dm7 Dm7 Dm Dm Dm7 Dm  
And the way the truth it locked us right about the time after  
Dm7 Dm  
The lightning shocked us  
Dm Dm7 Dm7 Dm  
When we were young and missing  
Dm Dm7 Dm7 Dm7  
Round that small new england byway our lives they were  
sheltered  
Dm Bb7  
Then and now i remember  
  
F C Dm7  
Well its not even being about that anymore i gotta get you  
down  
Bb F

Those tiny fragments of perfection they please me in a time  
Unchanged when its not the same beginning  
Or along awaited end.. if i knew all the words i would write  
Myself out of here  
If i was all the colors i would paint you pretty in gold in a  
Picture so i'm told little sister  
So now i'm sold little sister why don't you tell me about the  
Sunsets in sweden and the laws of eden  
And how you were the rock of gibraltar and how they called you  
Foxy  
Well that's another whole box of pandoras, that's another  
whole  
Box of them ties  
Slide your foot off the gas before we crash right back into  
the  
Median  
It separates our house from the middle of the street.. talking  
About our house  
F C Dm7  
Is on the front porch telling jokes and they swing swiftly  
Towards happier times  
Expanding lines and finding more energy for the effort and  
Getting distance from that front porch spotlight  
F C Dm7 Bb  
But us we found peace in shadows long enough to see a monster  
Die.  
F C Dm7  
We all need to find a little space in our daydreams long  
enough  
And just so long.  
F C Dm7  
Long enough, just as long, just so long as its long enough is  
it  
Bb  
Long enough?  
F C Dm7 Bb  
Is it long enough for me? long enough for me to chew on.  
F C Dm7  
Bb  
If it isn't.. if it is't .. if it is't .. if it ain't if it  
don't if it can't  
F  
Then it wont.
