Afinação: G) D G C F A D

Capostrate na 3ª casa

Instead of Em7, D or Cadd9, go ahead and use Em, D or C instead if you think it sounds better. Both sounds fine to me. I apologize if something sounds off, It's only tabbed out by ear.

Intro: G

Verse

Is it workin? Are we searchin?
 Are we lost inside a circus?
 I can almost see the color in your eyes
 Are we livin? Are we learnin?
 Is it helpin? Is it hurtin?
 I can almost see the questions on your mind

Pre-Chorus

In this carnival of thoughts
 When it's moving can't get off

tabrefrão

Dizzy when you're with me, only time will tell
 We're spinnin like a carousel
 Blurry as it's turnin we can't stop ourselves
 From spinnin like a carousel

Yea
 refrão

Imagine if the madness is the meaning in the magic
 Well what if all that's happened has been right?
 It's a circle but it's worth it
 Might be a miracle you don't deserve but

Em7 D C D
 All I know is it gotta hold on tight

Pre-Chorus

In this carnival of thoughts
 (You can use Em7 instead of C if you prefer)
 We may never make it off

Dizzy when you're with me, only time will tell
 We're spinnin like a carousel
 Blurry as it's turnin we can't stop ourselves
 From spinnin like a carousel
