

Jason Walker - Midnight Starlight

Tom: Ab

(com acordes na forma de

G)

Afinação: D G C F A D

Capostrate na 1ª casa

Intro: 2x: C G Em D

Verse

It's dark and there are people everywhere
 It's loud and there are noises in the air
 All around these buildings look so cold
 And they look down on one more story left untold
 And one more sunset that won't turn gold

'Cause this lonely is killing me
 And I don't see what I can't quite reach
 And I won't be able to come to shore
 When I'm lost floating like a boat in the ocean
 The midnight starlight won't shine anymore
 refrão

C G Em D (2x)

Verse

This town everybody seems far away
 And I found that everything that I try to say
 Falls down on the ground beneath my feet
 And I just want something that makes me feel like
 I'm not crazy, there's something real

'Cause this lonely is killing me
 And I don't see what I can't quite reach

And I won't be able to come to shore
 When I'm lost floating like a boat in the ocean
 The midnight starlight won't shine anymore
 refrão

I've tried to figure it out
 I've tried but I don't know how
 And I'll do anything to turn it around
 If somebody could help me now

'Cause this lonely is killing me
 And I don't see what I can't quite reach
 And I won't be able to come to shore
 When I'm lost floating like a boat in the ocean
 The midnight starlight won't shine anymore
 When I'm lost floating like a boat in the ocean
 The midnight starlight won't shine anymore
 When I'm lost floating like a boat in the ocean
 The midnight starlight won't shine anymore
 refrão

Any more
 Anyone
 I'm waiting here for you
