

# Javier Solis - De Boca a Boca

tom:

Intro: Em Gm D Em  
E A7 D

Traidoramente

Tus labios rojos me mintieron

Con el desplante

De un corazón sin sentimiento

Pero no importa

Es que tu amor no vale nada

De boca en boca

No llegarás a ser amada

Traidoramente

Vas por el mundo

Con tu infortunio

Sin compasión

Acordes

Pero no importa

Es que tu amor no vale nada

De boca en boca

No llegarás a ser amada

( D A7 Em )

( E A7 D )

Traidoramente

Vas por el mundo

Con tu infortunio

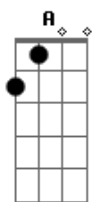

Sin compasión

Pero no importa

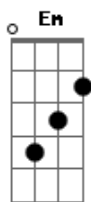

Es que tu amor no vale nada

De boca en boca

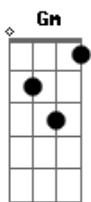

No llegarás a ser amada
