

# Javier Solis - Le Mentí

tom:

Intro: **Dm** **F** **G** **C** **F**  
**Dm** **G** **C** **Fm** **G** **Cm**

Me quedan destellos de esperanza

Y, aunque sufriendo mucho, espero

Lleno de amor y de confianza

Volver con la mujer que tanto quiero

Le mentí al tratar de conquistarla

¿Por qué no decir la verdad?

Hablar nomás por hablar no vale nada

Hay quien finge amar no siendo la realidad

**G** **C** **Dm** **Cm** **D** **G**  
 Ahora quiero pedirle que regrese

Que perdone lo mal de mi mentira

Que me quiera, que me abraze y que me bese

Y que juntos sigamos por la vida

( **Dm** **F** **G** **C** )

( **F** **Dm** **G** **C** )

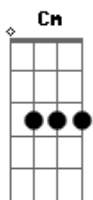

**Dm** **Em** **Dm** **G7**  
 Ahora quiero pedirle que regrese

Que perdone lo mal de mi mentira

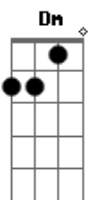

Que me quiera, que me abraze y que me bese

Y que juntos sigamos por la vida
