

# Jax Jones - Harder (feat. Bebe Rexha)

tom:  
E (forma dos acordes no tom de Eb )  
Capostrate na 1ª casa

[Pré-Refrão]

Baby when it comes to love, it should be mutual  
I know you think that you're on fire but you're kinda cold  
And I need a little more than just the usual  
But you should know (what you-what you gon' do?)  
You should know

[Refrão]

When you think you've done enough  
Can you love me harder?  
'Cause you know I need that (oh, oh, oh, oh, oh, ooh)  
Put in work and don't give up  
Can you love me harder?  
'Cause you know I need that (oh, oh, oh, oh, oh, ooh)  
(Haha,take it to the play)

[Primeira Parte]

Baby,take the time to get the floor right  
Baby, you could get it for the whole night  
I believe in you, know that you're the truth  
Here's a little insight

Boy, if you can go a little longer  
We can make this love a little stronger  
Ain't no other man can give me what you can  
Remember what I told ya

But you get me on the edge and now I'm getting close  
You should know, you should know
