Trust in me

A G  
This is the moment that you've been waiting for, girl, all your life

A  
Tell your friends that you don't need a ride home

Em  
Cause I got you tonight

Bm Gbm G  
The uber's on the way cause I had a couple drinks tonight

A  
But I'm more drunk off of your love

Em  
Baby, I just can't get enough

N.C.  
So baby girl

D A G  
Wake up, wake up, let's get it started

G  
Stay up, stay up, girl, I'd be on it

A  
Don't go to bed unless you go with me

Em  
Phone blowin' up, I'mma let the hotline bling

Bm Gbm  
Baby me like yuh

G  
I'll make you feel so good
