Until her phone began to ring
A
She takes it to the corner
A
That's when I start wondering
Bm
I can hear her shouting,
Bm
Banging fists against the door
Bm
Yelling yo it's over I can't take it any more
G
Then I walk away
G
And act all nonchalant and chill
G
I ain't tryna get all
G
Caught up in her mess for real
A
But she came on out
A
And backed me up against the wall
A
She said I know you heard
A
But I'll make you forget it all
