

# Jay Vaquer - Paredes

Tom: C

(intro) Eb

Falo pras paredes E elas me escutam

E me irritam

Em silêncio

E algumas rachaduras

Grito pras paredes ( pessoas )  
E elas me fitam

E sufocam

Entre tintas descascadas

E sujeiras

Mais que a garganta que não cansa

A voz alcança um tempo sem fim

E as folhas mortas pelo chão  
- da outra estação -

Ainda são bonitas

Ainda são perfeitas

Ainda são ( pra sempre )

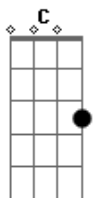

(mesmas notas aqui)  
Falo pras pessoas (paredes)  
E elas me evitam  
E me cansam  
Com manias e algumas implicâncias

Grito pras pessoas (paredes)

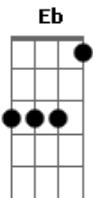

E elas me esnobam  
E bajulam

Entre interesses  
E paixões
