

Jaymay - Grey Or Blue

Tom: C

C
I feel so helpless now my guitar is not around
G
And I'm struggling with the xylophone to make these feelings sound
F
And I'm remembering you singing and bringing you to life
C
And It's raining out the window and today it looks like night
C
You haven't written to me in a week I'm wondering why that is
G
Are you too nervous to be lovers friendships ruined with just one kiss
F
I watched you very closely I saw you look away
C G
Your eyes are either gray or blue I'm never close enough to say

C
But your sweatshirt says it all with the hood over your face
G
I can't keep staring at your mouth without wondering how it tastes
F
I'm with another boy he's asleep I'm wide awake
C G
And he tried to win my heart but it's taken time

C
I know the shape of your hands because I watch them when you talk
G
And I know the shape of your body 'cause I watch it when you walk
F
And I want to know it all but I'm giving you the lead
C G
So go on go on and take it don't fake it shake it

C
Charmin crazy eyes have you are they gray or blue

G
I won't make the move
G
you must make the move
F
if you make the move
F
I will then approve
C
if you do not move
G
we will surely lose
C
Don't second guess your feelings you were right from the start
G
And I notice she's your lover but she's nowhere near your heart
F
This city is for strangers like the sky is for the stars
C G
But I think it's very dangerous if we do not take whats ours

C
And I'm winning you with words because I have no other way
G
I'd love to look into your face without your eyes turning away
F
Last night I watched you sing because a person has to try
C G
And I walked home in the rain because a person cannot lie

C
do do do do do
C
do do do do do
G
do do do do do
G
do do do do do
F
do do do do do
F
do do do do do
C
do do do do do
