Don't you know that you're toxic?

It's getting late to give you up
I took a sip from the devil's cup
Slowly it's taking over me

Too high, can't come down
It's in the air and it's all around
Can you feel me now?

With the taste of your lips, I'm on a ride
You're toxic, I'm slipping under
With the taste of a poison, I'm in paradise
I'm addicted to you
Don't you know that you're toxic?
And I love what you do
Don't you know that you're toxic?

Intoxicate me now
With your loving now
I think I'm ready now
I think I'm ready now
Intoxicate me now
With your loving now
I think I'm ready now

Don't you know that you're toxic?
