

JayXander - Hoodies

tom:
G
 At least I got my hoodies back
 At least you still live in my head
Bbm7
 At least now he can make you laugh
 I miss your presence in my bed
B
 We lay for hours, fuck a lil
 Back when we were kids
Bm
 Back when we were more than fights
 Back when you still gave a shit
Gb
 Now my room been feelin' empty
 Sellin' pieces of my soul
Bbm7
 Said you love me but you lyin'
 What's it like to let me go?
B
 Now my heart been torn to pieces
 And my days are moving slow, slow, slow
Bm
 You've been moving on for months so let me go, go, go, yeah
 (**Gb Bbm7 B Bm**)

Gb
 Yeah, I'm a diff?rent person now that ev?rything's changed
Bbm7
 Dress up pretty for those pictures but your smiles fake
B
 Took your pictures off my wall, heard you just did the same
Bm
 But see those pictures in my mind as I lay awake
Gb
 Every night I stay up, hoping this'll clear up
Bbm7
 Hoping you would call me, but what a bad idea
B
 But shit, what if I called you?
 Maybe you would pick up
Bm
 Maybe you would stay here, but what a bad idea

Gb
 At least I got my hoodies back
 At least you still live in my head

Gb Bbm7
 Now why, am I driving you home crying?
B
 Can't you see I'm trying?
Bm
 You just say it hurts
Gb Bbm7
 And why, is it toxic to say I'm dying?
B
 Skydivin' without flyin'
Bm
 Without you by my side
