

JC Carmo - The Future Of Humanity (Rock Version)

tom:

C

F **Am**
We are standing at the edge of time
F **Am**
Watching for the great unknown
F **C** **Dm**
Will we find a way to be sublime
G
Or will we fall like stones?

C
We'll take the good and leave the bad
G
And pave a path for all to see
Dm
A future bright, a future glad
Am
Where love and peace will always be

C
The future of humanity
Dm
Is written in the stars above
Am
We'll reach for the sky with all our might
C
And build a world of love

Am
We'll harness the power of technology
F
To make a brighter, better place
C
We'll break down the walls of inequality
G

And show the best the human race

C
We'll take the good and leave the bad
G
And pave a path for all to see
Dm
A future bright, a future glad
Am
Where love and peace will always be

C
The future of humanity
Dm
Is written in the stars above
Am
We'll reach for the sky with all our might
C
And build a world of love

C
We'll take the good and leave the bad
G
And pave a path for all to see
Dm
A future bright, a future glad
Am
Where love and peace will always be

C
The future of humanity
Dm
Is written in the stars above
Am
We'll reach for the sky with all our might
C
And build a world of love
