

JC Carmo - The Future Of Humanity (Rock Version)

tom:

C

F Am
We are standing at the edge of time

F Am
Watching for the great unknown

F C Dm
Will we find a way to be sublime

G
Or will we fall like stones?

C
We'll take the good and leave the bad

G
And pave a path for all to see

Dm
A future bright, a future glad

Am
Where love and peace will always be

C
The future of humanity

Dm
Is written in the stars above

Am
We'll reach for the sky with all our might

C
And build a world of love

Am
We'll harness the power of technology

F
To make a brighter, better place

C
We'll break down the walls of inequality

G

And show the best the human race

C
We'll take the good and leave the bad

G
And pave a path for all to see

Dm
A future bright, a future glad

Am
Where love and peace will always be

C
The future of humanity

Dm
Is written in the stars above

Am
We'll reach for the sky with all our might

C
And build a world of love

C
We'll take the good and leave the bad

G
And pave a path for all to see

Dm
A future bright, a future glad

Am
Where love and peace will always be

C
The future of humanity

Dm
Is written in the stars above

Am
We'll reach for the sky with all our might

C
And build a world of love
