

Jean Kleber - Priscila

tom:

Ab (forma dos acordes no tom de G)

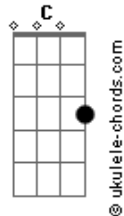

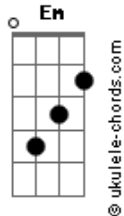

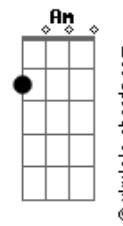

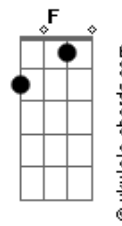

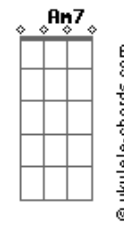

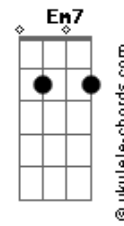

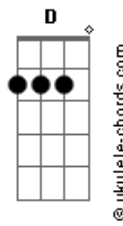

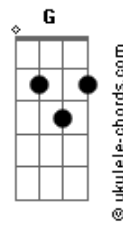

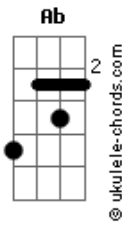

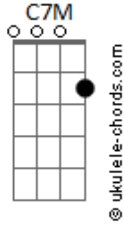

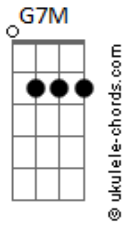

Capostrate na 1ª casa

Ela tem estrelas nos olhos
 E a lua crescente no sorriso
 Se eu fosse astronauta no seu céu
 Eu iria ao paraíso

Ela tem o sol nos cabelos
 E um caleidoscópio no rosto
 O vermelho da sua boca
 Eu quero tanto saber o gosto

Ela tem jeito de fada

Acordes

E um porte de princesa
 Mas quando passa não enxerga
 Que me deixa sem defesa
 Ela tem sonhos secretos
 E um corpo que vicia
 Me tira o juízo e o sono
 Me maltrata, me angustia
 Ela tem tudo aos seus pés
 E consegue seja o que for
 Eu não tenho mais que o desejo
 De um dia ser seu amor
