Só Tu sabes como eu cheguei aqui

Por dentro machucado, todo dilacerado

Com o peito ferido, ser humano atribulado

Lágrimas de sangue, dias ruins

Eu cheguei aqui, consegui chegar aqui

Pois me disseram que és o Deus da paz!

E eu coloco neste altar o que há

Mais de importante em mim

Eu só tenho a oferecer o meu coração

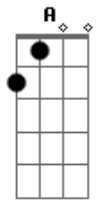

Sara o meu coração, cura minh?alma

Sonda minha vida, Sara o meu coração

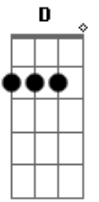

Toma os pedaços, Faz-me um novo ser

Restaura minha vida, Sara o meu coração
