

Jeca do Brejo - Festa Linda

tom:

G

Bm

Em

Ai se chover vai ter namoro na praça

Sanfona no palco

E forró na raia

Ai se anoitecer vai ter vestido rodado

Quadrilha colorido

E um padre aloprado

Mas se a gente reza vai ser abençoado

Pela santa missa e o "padinho ciço"

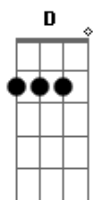

Mas se eu correr vou ser agraciado
Vai ter de tudo nesta feira linda

Vou botar o samba de coco na avenida
Estender a roupa do meu boi bumba

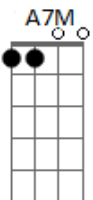

Vai ter que dança de frevo e também catira
Na folia de reis é que vou me acabar

Vou ter você e aparecida amada
Santa companhia, nossa idolatrada.
