Words

1. A Desert road from Vegas to nowhere,
Some place better than where you've been,
A coffee machine that needs some fixing,
In a little cafe' just around the bend.

I am calling you, i know you hear me,
I am calling you.

2. A hot dry wind blows right through me,
The baby's crying and I can't sleep,
But we both know that a change is coming,
Coming closer, sweet release.

And I am calling you, i know you hear me,
I am calling you,
Oooh, yeah. (B7, E7)

.Bridge
.Chorus

3. Desert road from Vegas to nowhere,
Somewhere better than where you've been,
But we both know that a change is coming,
Coming closer around the bend.

4. A hot dry wind blows right through me,
The baby's crying and I can't sleep,
But we both know that a change is coming,
Coming closer, sweet release
And I am calling you, don't you hear me

I am calling you.....
