

# Jeff Buckley - Je Nen Connais Pas La Fin

Tom: **E**

Pre-Chorus:

Tabbed by: Dr smith

Tuning: EADGBe

This is a great cover of a classic Edith Piaf song. He played it live at L'olympia.

As is typical Buckley he ad libs a couple of notes here and there so be warned this is not a note for note tab, this is ,however, relatively exact.

Fingerpick all the way through this. The intro and chorus will take

some time to build up to the correct speed.

Intro: duction:

Then there's some weird thing he adds at the end which i'm not sure how to play. But the main bulk of the song is there for you. Sorry It's not as comprehensive as some of my other tabs.
