after he died and I got to know and love this song. I'm not sure which concert the version I've got was played at but this is how it goes.

Use some distortion and lots of reverb.  
Intro: Rhythm fig.1

2 1 & 2 & 3 & 4 & 1 &

4 3 & 4 & 1 & 2 & 3 &

2 1 & 2 & 3 & 4 & 1 &

3 & 4 &  
End Rhythm fig.1

1 & 2 & 3 & 4 &

2 1 & 2 & 3 & 4 & 1 &

3 & 4 &  
Play this second time, played quite fast, listen to the tape and you'll hear how it fits in.

2nd time one guitar plays this

& 1 & 2 & 3 & 4 & 1

VERSE 1  
Rhythm fig.2

I was just a 1 & 2 & 3 & 4 & 1 &  
its been such a long time,

child then. What will you say  
When you 3 & 4 & 1 & 2 & 3 &

4 &  
one guitar plays this at the end of the last bar

1 & 2 & see my face? 3 & 4 &  
fig.2 End Rhythm

w/rhythm fig.2  
Time feels like it's flown away,  
the days just past and fade away.  
What will you say, when they take my place?

w/half of rhythm fig.2  
Well it's funny now,  
I just don't feel like I'm a man.

see my 1 & 2 face 3 & 4 & 1 &  
2 &

3 & 4 & My

CHORUS  
w/rhythm fig.1  
face  
w/rhythm fig.1  
La la la la la etc.

VERSE 2  
Rhythm fig.3

Father dear, the world's gone cold  
no one 1 & 2 & 3 & 4 & 1 &  
2 &

cares about love anymore What will you say  
when you 3 & 4 & 1 & 2 & 3 &  
4 &

see my face?  
2 1 & 2 & 3 & 4 & 1 &  
2 &

w/rhythm fig.3  
Father are you with me?  
Do you know me?  
Do you even care?  
What will you say, when they take my place?

CHORUS  
w/rhythm fig.1  
My face  
w/rhythm fig.1  
la la la la la etc.

play this run leading into the bridge:

BRIDGE

I can feel your time  
crawling 1 & 2 & 3 & 4 & 1 &  
2 &

slow to a  
4 3 & 4 & 1 & 2 & 3 &  
4 &

end 1 & 2 & 3 & 4 &

Well, that's about it. I might tab out the whole of the last bit if this song ever gets released, but for now just improvise.

If you can play this much you can probably play the whole thing.
