

Jeff Scott Soto - As I Do 2 U

tom:

Intro: D G A D
D G A

Someone like u I never believed
Would ever be in my life
Different ways & world's apart
Some said we'd never survive
But, one thing I know is I couldn't live
Without u here by my side

I been thinking of, dreaming of, girl, U & I
& I'm singing of giving good love
You're the meaning of, the reason why 2gether we shine
So surrender your love 2 me as I do 2 U

(D G A)
(D G A)

Girl, I don't know what u see in me
You're not like others I've known
What I can give, money can't buy
With me you're never alone

Cuz one thing I promise is I will be there
I'll be there by your side

I been thinking of, dreaming of, girl, U & I
& I'm singing of giving good love
You're the meaning of, the reason why 2gether we shine
So surrender your love 2 me as I do 2 U
Time will tell the days, girl, I dedicate all these words 2
u
Cuz I can't visualize u in anothers arms, I don't know what
I'd do
