

# Jeff Scott Soto - As I Do 2 U

tom:

Intro: D G A D  
D G A

Someone like u I never believed  
Would ever be in my life  
Different ways & world's apart  
Some said we'd never survive  
But, one thing I know is I couldn't live  
Without u here by my side

I been thinking of, dreaming of, girl, U & I  
& I'm singing of giving good love  
You're the meaning of, the reason why 2gether we shine  
So surrender your love 2 me as I do 2 U

( D G A )  
( D G A )

Girl, I don't know what u see in me  
You're not like others I've known  
What I can give, money can't buy  
With me you're never alone

Cuz one thing I promise is I will be there  
I'll be there by your side

I been thinking of, dreaming of, girl, U & I  
& I'm singing of giving good love  
You're the meaning of, the reason why 2gether we shine  
So surrender your love 2 me as I do 2 U  
Time will tell the days, girl, I dedicate all these words 2  
u  
Cuz I can't visualize u in anothers arms, I don't know what  
I'd do
