I saw you
Eb F Gb
Comin'...

Part 3:

Db
...back to me

One begins to read between the pages of a book
The shape of sleepy music and suddenly you're hooked
Through the rain upon the trees that kisses on the run

I saw you I saw you
Comin' back to me

Part 4:

Db
You can't stay and live my way
Scatter my love like leaves in the wind
You always say you won't go away
But I know what it always has been
...it always has been
A transparent dream beneath an occasional sigh
Most of the time I just let it go by
Now I wish it hadn't begun

I saw you I saw you
Comin' back to me

Strolling the hills overlooking the shore
I realize I've been here before
The shadow in the mist could have been anyone

I saw you I saw you
Comin' back to me

Small things like reasons are put in a jar
Whatever happened to wishes wished on a star
Was it just something that I made up for fun

I saw you I saw you
Comin' back to me
