

Jefferson Airplane - White rabbit

Tom: A

One pill makes you larger and one pill makes you small
 and the ones that mother gives you don't do anything at all
 go ask Alice when she's ten feet tall

And if you go chasing rabbits and you know you're going to fall

Tell'em a hooka smoking caterpillar has given you the cord
 Call Alice when she was just small

Feed your head!

When men on the chessboard get up and tell you where to go
 and you just had some kind of mushroom and your mind is moving low

go ask Alice, I think she'll know

When logic and proportion have fallen sloppy dead

and the white knight is talking backwards

and the red queen's off with her head

Remember what the Dormouse said

Feed your head! Feed your head!

Feed your head!
