

# Jeito Moleque - Me faz feliz

tom:

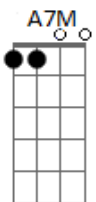

Intro: E7 D7 C7 Badd9

Te vi na galera fiquei na espera  
 E ai foi só voce me olhar pra eu me apaixonar  
 Tô apaixonado, maluco, vidrado  
 Preciso de um beijo seu preciso sentir seu calor  
 Eu não serei o mesmo sem o teu amor

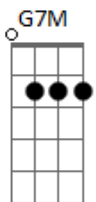

Te vi na galera fiquei na espera  
 E ai foi só voce me olhar pra eu me apaixonar  
 Tô apaixonado, maluco, vidrado  
 Preciso de um beijo seu preciso sentir seu calor

Eu não serei o mesmo sem o teu amor  
 Me faz feliz me leva com você  
 Me dá me diz que eu sou seu bem-querer  
 Que o mundo vai nascer pra nós  
 Me faz feliz me leva com você  
 Me dá me diz que eu sou seu bem-querer  
 Que o mundo vai nascer pra nós  
 Pra nós so pra nós  
 Te vi na gelra
