Pensa... você no meulugar

E um vício esseamor

Meu defeito e te amar

Como nunca alguém um dia te amou

Tenta..... ouvir meucoração

Inspirar na..... solidão

Vê se entende o meu sofrer

Aprendi e gosto tanto de você

Pensavocê no meu lugar

Sem um colo pra deitar

Sem carinho sem prazer

Imagina eu sem você

Eujá não posso alimentar esta

.....paixão

Você olha e não me vê triste a chorar

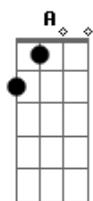

Se coloca um pouco aqui no meu lugar

Eu já não deviainsisitr na ilusão

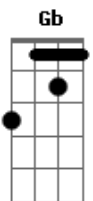

Mas ainda vejo amor no seu olhar

Se coloca um pouco aqui no meu lugar
