

# Jelly Jamm - Don't Be Afraid

tom:

A

Don't! Be! Afraid!

E

(So many things you don't have to fear)

Don't! Be! Afraid!

E

(Your worries can always disappear)

Try a different flavor

(There ya go!)

Be a little braver

(You never know!)

In time you'll love the things that you were always really

Scared to do!

You see a giant spider, don't run away

If you look inside her, she might only want to play!

You see a scary dragon, or a giant giraffe

If you get to know them, they might even make you laugh!

Don't hide in the shade!

Come join the big parade!

No, don't be afraid!

Don't! Be! Afraid!

(So many things you don't have to fear)

Don't! Be! Afraid!

(Your worries can always disappear)

Take off that armor

(There ya go!)

Be a little calmer

(You never know!)

In time you'll love the things you were always really scared to

Do!

You see a giant spider, don't run away

If you look inside her, she might only want to play!

You see a scary dragon, or a giant giraffe

If you get to know them, they might even make you laugh!

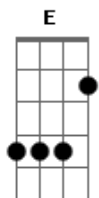

Don't hide in the shade!

Come join the big parade!

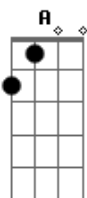

No, don't be afraid!
