

## Jelly Jamm - Oh Let's Go Together

```
tom:
                                                             A D Gbm D
                                                             Yes! An amazing adventure
Intro: A E
                                                                                       Db7 Gbm
                                                             Sharing all of our fun with one another
 This is Jelly Jamm!
                                                                         D
                                                                               B7
                                                             Now there?s nothing in your way
This is Jelly Jamm!
                                                                                            Gbm
                                                                                                  Db7 Db7
        D
                                                             Yes! This is the day we?ve been waiting
This is Jelly Jamm!
                                                             Yes! We will be taking you there
One Two Three Four!
                                                             Oh let?s go together
                                                                         A A
This? is a magical moment
                                                             Oh let?s go together
                                                                         A A
                                                             Oh let?s go together
If we can borrow your heart
Db7 Gbm Gbm7 D B7 E E
Then together we?ll find wonder in the stars
A D Gbm D
                              B7 E E
                                                             You know you can come with us
                                                                         Α
                                                             Oh let?s go together
It?s? an amazing adventure
                                                                         Α
And we?re here at the start
                                                             Oh let?s go together
Db7 Gbm Gbm7 D B7
                                                                      A A
Of forever as we travel near and far
                                                             Oh let?s go together
D E7
                        Gbm Db7 Db7
This? is the day that we dreamed of
                                                             You know you can come with us
                       E E
This? is really happening now
                                                              This is Jelly Jamm!
Oh let?s go together
                                                             This is Jelly Jamm!
            Α
                                                             This is Jelly Jamm!
Oh let?s go together
            Α
                                                                     D
                                                              This is Jelly Jamm!
Oh let?s go together
You know you can come with us
                                                             This is Jelly Jamm!
                                                                    D
                                                             This is Jelly Jamm!
                   Gbm
Yes! It?s a magical moment
                                                             [Final] A
On an incredible day
Db7 Gbm Gbm7
                                    E E
