[Verse 1]

Tell nobody I control you
I broke you just to own you
They can't tell that I love you
'Cause you're loyal, baby
I love when you're submissive
You love it when I break skin
You feel pain without flinchin'
So say it

[Pre-Chorus]

You give me tough love
Leave me with nothin' when I come
Down
My kinda love
Push me and choke me till I pass out

[Chorus]

We don't gotta be in love, no
I don't gotta b? the one, no
I just wanna be on? of your girls Tonight
We don't gotta be in love, no
I don't gotta be the one, no
I just wanna be one of your girls
Tonight, oh

[Verse 2]

Em Push me down, hold me down
Gbm Spit in my mouth while you turn
Me on
Bm I wanna take your light inside
Gbm Dim me down, snuff me out

Hands on my neck while you push it
Bm Out

And I'm screamin' out

[Pre-Chorus]

Give me tough love
Leave me with nothin' when I come
Down
My kinda love
Force me and choke me till I pass Out

[Chorus]

We don't gotta be in love, no
I don't gotta b? the one, no
I just wanna be on? of your girls
Tonight (Tonight)
We don't gotta be in love, no
