

Jennifer Hudson - Memory

tom:

Intro: **Bb**

Memory, turn your face
 To the moonlight
 Let your memory leave you
 Open up, enter me
 If you find there
 The meaning of what happiness is
 Then a new life will begin

[Segunda Parte]

Memory, all alone in the moonlight
 I can smile at the old days
 I was beautiful then
 I remember the time
 I knew what happiness was
 Let the memory live again

[Ponte]

Burnt out ends of smokey days
 The stale, cold smell of morning
 The streetlamp dies
 Another night is over

Another day is dawning

[Terceira Parte]

Daylight, I must wait for the sunrise
 I must think of a new life
 And I mustn't give in
 When the dawn comes
 Tonight will be a memory too
 And a new day will begin
 (**Gb Ebm B Gb**)

Sunlight through the trees in summer
 Endless masquerading
 Like a flower
 As the dawn is breaking
 The memory is fading

[Refrão]

Touch me, it's so easy to leave me
 All alone with the memory
 Of my days in the sun
 If you touch me
 You'll understand what happiness is
 Look, a new day has begun
 (**Db**)
