 Gb (forma dos acordes no tom de F)

Here I go
 Here I go
 Feel better now
 Feel better now
 Here I go
 Here I go
 It's better now
 Feel better now

Do you remember when we fell under
 Did you expect me to reason with thunder
 I still remember when time was frozen
 What seemed forever was just a moment
 Hurry up, hurry up
 There's no more waiting
 We're still worth saving

Feel the light
 Shining in the dark of night
 Remember what we forgot

I know it's a long shot
 But we're bringing it all back
 We're bringing it all back

Feel the light
 Shining like the stars tonight
 Remember what we forgot

I know it's a long shot
 But we're bringing it all back
 We're bringing it all back

Here I go
 Here I go
 Feel better now

Feel better now
 Here I go
 Here I go
 It's better now, Feel better now

Feel better now

I still remember when things were broken
 But put together, the cracks we're closing
 Hurry up, hurry up
 There's no more waiting
 We're still worth saving

Feel the light
 Shining in the dark of night
 Remember what we forgot

I know it's a long shot
 But we're bringing it all back
 We're bringing it all back

Feel the light
 Shining like the stars tonight
 Remember what we forgot

I know it's a long shot
 But we're bringing it all back
 We're bringing it all back

You and I can have it all tonight
 So let's bring it back to life
 Now we have another chance to fly
 Another chance to make it right

Feel the light
 Shining in the dark of night
 Remember what we forgot

I know it's a long shot
 But we're bringing it all back
 We're bringing it all back

Feel the light
 Shining like the stars tonight
 Remember what we forgot

I know it's a long shot
 But we're bringing it all back
 We're bringing it all back

Here we go!

Here we go!
 Feel better now, feel better now
 Here we go!

Here we go!

It's better now, feel better now
