We starve-look at one another
Short of breath

With supreme visions of lonely tunes

Somewhere

Inside something there is a rush of greatness

Who knows what stands in front of our lives

Dm7 **F**
I fashion my future on films in space

Dm7 **A7**
Silence tells me secretly

Dm7
Everything

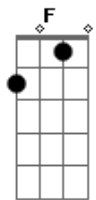

Bb7 **F**
Everything

Dm7 **A7**
Let the sunshine

Let the sunshine in

The sunshine in
