Jesus, liberta-nos agora (2 X)

                    A
We wait upon you, Lord
                       Gbm7
We wait for your awsome power
                        E
To fill this room
              D
As we worship you

                    A
We wait upon you, Lord
                     Gbm7
We wait for the freedom That you bring
                 E
To change our lives
                     D
As we praise your name

Again and again
