

Jeremy Camp - Capture-me

Tom: Ab **G**) (com acordes na forma de Capostraste na 1º casa Intro: G Em Verso 1: You search inside the deepest parts Em You radiate the darkness in my heart I can't hide no more You took this life that once was frail And gave a strength where hopelessness won't prevail And there's life more abundantly Refrão: Your beauty Lord I know it captures me Your sweet embrace it brings me to my knees Oh you capture me oh Lord you capture me You opened up my heart and made a home in me You lifted up the weight the world has placed on me Oh you capture me oh Lord you capture me Verso 2:

You brought me joy that words can't speak Fm You gave a truth where lies will never reach Oh, I won't fight no more You gave me peace from this life of fear Fm Never alone at every grasp you were near Now there's life more abundantly Ponte: I can feel your touch, I can feel your heart And your fullness flowing over D Your waves of mercy over me Refrão: Your beauty Lord I know it captures me Your sweet embrace it brings me to my knees Oh the love you show it pours all over me D Oh you capture me oh Lord you capture me You opened up my heart and made a home in me You lifted up the weight the world has placed on me Oh you capture me oh Lord you capture me
