

## Jeremy Camp - Christ in Me

```
Tom: C
 (com acordes na forma de G )
Capostraste na 5º casa
 [Verse]
In this obsession with
the things this world says make us happy
Can't see the slaves we are in all the
                  Em
searching all the grasping
Like we deserve much more
than all these blessing we're holding
So now I'm running free into an ocean
of mercy unending
[Chorus]
So come and empty me
So that it's you I breathe
I want my life to be
Only Christ in me
So I will fix my eyes
Cause you're my source of life
I need the world to see
That it's Christ in me
That it's Christ in me
[Verse]
Done with what holds me down
the things I once was chasing after
Throw off these heavy chains
that I have let become my master
So now I'm running free
```
