

Jeremy Camp - Give You Glory

Tom: D

We have ^D raised a thousand voices
 Just to lift ^{Bm} Your holy name
 And we will ^G raise thousands more
 To sing of ^A Your beauty in this place
 Well none ^D can even fathom
 No not one ^{Bm} define Your worth
 As we ^G marvel in Your presence
 To the ends of the earth.
 REFRAO ->

^D We give You glory,
 Lifting up our hands and singing ^{Bm} holy,
 You alone are ^G worthy
 We just want to touch ^{Gm} Your heart, Lord, touch Your heart
^D Glory, lifting up our voice and singing ^{Bm} holy,
 You alone are ^G worthy
^{Gm}

We just want to touch Your heart, Lord, touch Your heart

^D As we fall down before You
 With our ^{Bm} willing hearts we seek
 In the ^G greatness of Your glory
 It's so hard to even ^A speak
 There is ^D nothing we can offer
 No ^{Bm} nothing can repay
 So we ^G give You all our praises
 And lift ^A our voice to sing
 REFRAO

^{Bm} Our hope is ^G drenched in ^A You
^{Bm} Our faith has been ^G renewed
^{Bm} We trust in ^G Your every ^A word
^F Nothing else can even ^G measure up to ^A You.
