

Jeremy Camp - Lay Down My Pride

Tom: B

Every single word I say
 You know it before I speak
 You know every thought
 The deepest part of me
 You draw me close and then I see
 Your presence is every thing I need to be
 The child that you've created me to be
 I'm ready now to see it your way

I lay down my pride
 My desires my demise
 I'm ready now to see it your way
 I'm done I'm thru ignoring you now it's true

I'm kneeling at the cross of your grace
 Lay down my pride
 I was faced with passing time
 But I knew the choice was mine
 To finally come to you
 And give you all control
 I've wandered miles to find my way
 And then you revealed this simple faith
 I know that you can see the secrets of my soul

The cross the blood you shed for me
 Your back was ripped and bruised
 So I can know your love
 I kneel I bow to you my king
