Well I can feel within my soul  
The more your reason, the more you've shown he's there

Well, the thought of wondering down  
On this place of open road  
You speak the very part  
Though your actions always show  
How easily you sway  
But isn't he who takes  
All these heart felt cries  
And broken pride, and walks along this hill  
Not far away

Gb G  
So far from this, you can live  
Gb G  
So far from this

Gb G  
Well, can you feel those arms around you ?  
Gb G  
Well, can you see this place surround you ?  
Gb G  
Well, can you hear the people calling ?  
Gb G  
Well, I can see your fear !
