

Jeremy Camp - Tonight

Tom: F
Intro: Dm C Bb (X2)

Dm C
In this time,
G Bb
I know I need to be more broken
Dm C
Then I find,
G Bb
I feel this passion grow
Dm C
To face all that's been lost
G Bb
It's not too late to give control now
Dm C
I don't know why I wait
G Bb
You're always calling me
Bb Dm C
Tonight, I will take my cross
Tonight, I will count this cost
Tonight, I will realize
G Bb
To take hold of this very moment
Intro: Dm C Bb (X2)

Dm C
In this time,
G Bb
You draw me by these words You've spoken
Dm C

I feel inside,
G Bb
This never-ending hope
Dm C
I've placed all that I trust in
G Bb
Knowing one day I will see You
Dm C
Only thing worth holding onto
G Bb
Is holding onto me

Bb Dm C
Tonight, I will take my cross
Tonight, I will count this cost
Tonight, I will realize
G Bb
To take hold of this very moment

Bb Dm C
I will take this moment,
And feel that it's closer
And I kneel to show You
G Bb
This desperate heart of mine

Bb Dm C
Tonight, I will take my cross
Tonight, I will count this cost
Tonight, I will realize
G Bb
To take hold of this very moment
