Intro: Em C G D
Em C G D

Em C
I'll walk beside you

As you lead me through still waters for my soul
Em C G D
I place my hope in all you are, yeah
Em C
And i know you'll guide me
G
To places where there's beauty to behold
Em C G
There's no other place i'd rather be, no
Am
Cause i've been down the other road
C

Where fear and doubt
They take control
Am C
And i won't go there anymore
Em
And i won't make a move
C G D
Without you, whoa
Em
I won't make a move
C
Without you
G D
Right by my side
C
So i will wait for you
G
To lead me to
Em D
Any place where you need
Am
I won't make a move
C
Without you
Without you
(Em C G D)

Em C
I've walked through the fire
G D
And every step you never left my side
Em C G D
In you is where my help comes from, yeah

Em C
Cause you lead, i'll follow
G D
No matter if the place it seems so cold
Em C G D
My heart's desire is you lord, yeah
Am
And i've been down the other road
C
Where fear and doubt
They take control
Am C
And i won't go there anymore

Em
And i won't make a move
C G D
Without you, whoa
Em
I won't make a move
C
Without you
G D
Right by my side
C
So i will wait for you
G
To lead me to
Em D
Any place where you need
Am
I won't make a move
C D
Without you Without you
Em G C
Without you
Em
Without you
G
Take my heart, it's yours
C
Your hand, i'll hold
Em
You lead, i'll go
G C
And i won't make a move, no
