Intro: Em C G D
Em C G D

Em C
I'll walk beside you

As you lead me through still waters for my soul
Em C G D
I place my hope in all you are, yeah

Em C
And i know you'll guide me

G
To places where there's beauty to behold

Em C G D
There's no other place i'd rather be, no

Am
Cause i've been down the other road

C
Where fear and doubt
They take control

Am C
And i won't go there anymore

Em
And i won't make a move

C G D
Without you, whoa

Em
I won't make a move

C
Without you

G D
Right by my side

C
So i will wait for you

G
To lead me to

Em D
Any place where you need

Am
I won't make a move

C
Without you

Without you

(Em C G D)

Em C
I've walked through the fire

G D
And every step you never left my side

Em C G D
In you is where my help comes from, yeah

Em C
Cause you lead, i'll follow

G D
No matter if the place it seems so cold

Em C G D
My heart's desire is you lord, yeah

Am
And i've been down the other road

C
Where fear and doubt
They take control

Am C
And i won't go there anymore

Em
And i won't make a move

C G D
Without you, whoa

Em
I won't make a move

C
Without you

G D
Right by my side

C
So i will wait for you

G
To lead me to

Em D
Any place where you need

Am
I won't make a move

C D
Without you Without you

Em G C
Without you

Em
Without you

G
Take my heart, it's yours

C
Your hand, i'll hold

Em
You lead, i'll go

G C
And i won't make a move, no
