

# Jeremy Shada - Home Is Where My Horse Is (Reggi's Original Song)

tom:  
 G  
 Home, what is it really?  
 G Em  
 Sometimes it's a someone and not a place,  
 C  
 It's that feeling of being safe,  
 D  
 C D  
 It's about who you're with at the end of the day...(and for me)  
 G D  
 Home is where my horse is!  
 C  
 Riding through trees by the river  
 Em D  
 Feel the summer breeze smile gettin' bigger  
 G D  
 Home is where my horse is  
 C  
 Don't need a house or a roof  
 Em  
 I just put on the saddle, lace up my boots  
 D G

Cuz home is where my horse is  
 1,2,3,4  
 G  
 I don't need the streets  
 Em  
 I don't need the city lights  
 C  
 I don't need a fancy car  
 D  
 I just hop on my horse and ride  
 G D  
 Home is where my horse is!  
 C  
 Riding through trees by the river  
 Em D  
 Feel the summer breeze smile gettin' bigger  
 G D  
 Home is where my horse is  
 Em C  
 I see the beautiful beast running up to me  
 D  
 And I know  
 G  
 That I'm home
