

Jeremy Zag - My Lady

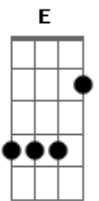

tom:
 A
 It's been a while since I smiled and meant it
 D Lately I guess I've just been
 A Searching for purpose, for any incentive
 D To show me just where I fit in
 A Then suddenly I'm flying through the night sky
 D The city lit up down below
 A Watching and wondering and wanting to know
 D How far this adventure will go
 A Then she appears like a dream in a dream
 D

And everything seems to slow down
 Gbm She looks at me, smiles, could this be what it seems?
 D A My feet haven't yet touched the ground
 D A And suddenly I feel so free, leapin' through the city
 Gbm E I'm leavin' all the pain far behind
 Bm E So strong, I can't ignore it, and as I'm steppin' forward
 D E Will she be there by my side?
 A E Gbm It's been a while since I smiled and I meant it
 D E Those who know me would agree
 Bm E Maybe I finally found my incentive
 A E A Tonight in Paris, my lady
