

Jeremy Zucker - Not Ur Friend

tom:
 Yeah, tomorrow is your birthday
 I thought it was last Thursday, girl
 We know you love a party
 Go celebrate and I'll be
 On my way to distant shores
 If you weren't so insecure
 You'd learn to close each open door for me
 Oh, babe
 Hang up, if you ever think of calling
 Me up, not afraid to say it darling
 Sorry, I'm not sorry if it hurts
 I don't mean to make it worse
 I've decided that I'm not your fucking friend
 Right now, there's not much that we agree on
 Sit down, if you need someone to lean on
 Honest, if I'm coming to your place
 It's to say it to your face
 I've decided that I'm not your fucking friend
 I think you might be okay
 Could care less what your friends say
 Well, I'd rather sit in silence
 Than be here while you're crying
 Darling, watch me disappear
 Ignorance is bliss, I hear, and

I have always been sincere to you
 Oh, babe
 Hang up, if you ever think of calling
 Me up, not afraid to say it darling
 Sorry, I'm not sorry if it hurts
 I don't mean to make it worse
 I've decided that I'm not your fucking friend
 Right now, there's not much that we agree on
 Sit down, if you need someone to lean on
 Honest, if I'm coming to your place
 It's to say it to your face
 I've decided that I'm not your fucking friend
 I've decided that I'm not your fucking friend
 I've decided that I'm not your
 Hang up, if you ever think of calling
 Me up, not afraid to say it darling
 Sorry, I'm not sorry if it hurts
 I don't mean to make it worse
 I've decided that I'm not your fucking friend
 Right now, there's not much that we agree on
 Sit down, if you need someone to lean on
 Honest, if I'm coming to your place
 It's to say it to your face
 I've decided that I'm not your fucking friend
 I've decided that I'm not your fucking friend
 I've decided that I'm not your fucking friend
