

Jeremy Zucker - Parent Song

tom:

Intro: G D Em7 G Cadd9

Oh, my love, side to side

I might look a bit older now

But I'm still the same kid I've always been

Changed the color of my hair

But I still need you like I always did

Friends just finished college

And they're moving to the city where I live

So you might have to see me less

But it's nice to have somebody to miss

I'm so looking forward to vacation

Let's make up for everything I've missed

Ooh, I'm so sorry for the things I do

I hope it doesn't hurt your heart, it's true

Go rest your mind, 'cause I still need you too

You love those old photographs

That I swear you've shown me a thousand times

And usually I fake a laugh

Whil? you're trying your hardest not to cry

We'll go walk the dogs out in the parks

Westport's perfect in the spring

Em7
And I'll swallow my pride and try

Cadd9
To tell you just how hard it's really been

G D
Ooh, I'm so sorry for the things I do

Em7 Cadd9
I hope it doesn't hurt your heart, it's true

G D
Go rest your mind, 'cause I still need you too

G D
Hey, there's nowhere else I'd rather spend my day

Em7 Cadd9
I love you, I know sometimes I don't say

Cadd9
'Cause I know everything will be okay, be okay

G Cadd9
You keep calling just to say you miss me

G Cadd9
Never know what I'm supposed to say

G Cadd9
I'm so sick and tired of the city

G Cadd9
I need an excuse to get away

G Cadd9
Can't believe it's already September

G Cadd9
Summer wasn't easy to enjoy

G Cadd9
Don't think I can make it to November

G Cadd9
I just really need to hear your voice

G D
Ooh, I'm so sorry for the things I do

Em7 Cadd9
I hope it doesn't hurt your heart, it's true

Cadd9
Go rest your mind, 'cause I still need you too

I still need you too

G D
Hey, there's nowhere else I'd rather spend my day

Em7 Cadd9
I love you, I know sometimes I don't say

Cadd9
'Cause I know everything will be okay, be okay
