

Jeremy Zucker - This Is How You Fall In Love

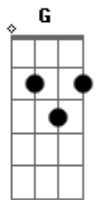

tom:
 Sun in my eyes
 Navy blue skies
 You are the reason
 I can survive
 We'll turn off the phones
 To just be alone
 We'll draw the curtains
 And never leave home
 I had a nightmare (uh)
 But now that I'm not scared
 This is how you fall in love
 Let go and I'll hold you up
 So pull me tight and close your eyes
 Oh my love, side to side
 "What's easy is right", my mother's advice
 You are the reason I never think twice

Wherever we go, what glitters is gold
 You'll be my best friend until we grow old
 I had a nightmare (uh)
 But now that I'm not scared
 This is how you fall in love
 Let go and I'll hold you up
 So pull me tight and close your eyes
 Oh my love, side to side (uh)
 Ohh, my love, side to side (uh)
 Ohh, my love, side to side (uh)
 Ohh, my love, side to side (uh)
 Ohh, my love, side to side
 This is how you fall in love
 Let go and I'll hold you up
 So pull me tight and close your eyes
 Oh my love, side to side
